Medicinal Chemistry Laboratory

www.quimicamedicaucm.es 𝕏 @MedChemLab_UCM MedChemLab UCM

Are you looking to pursue a PhD in Medicinal Chemistry and Chemical Biology? MedChemLab is offering a fully funded 4-year PhD Position associated to the Project ***Chemically induced proximity for targeted therapies against cancer and progeria*** (PID2025-168915OB-I00)

✧ **What we are looking for.** Highly motivated candidates with good academic record and background in Chemistry (holding both Bachelor's and Master's degrees, total 300 credits) with strong foundation in organic chemistry, synthesis, and structural elucidation. Previous experience or training in medicinal chemistry and biochemistry will be considered an advantage.

Interested candidates should send their CV, including academic transcripts, and contact details for two academic or professional references by email to siortega@ucm.es. Applicants should verify the eligibility criterio detailed in the official call (CT449/26), available at: https://www.ucm.es/recursos-humanos-de-investigacion-contratos-predoctorales. Applications must be submitted through the UCM online application platform by **December 4, 2026**.

✧ **Expected starting date.** 2027 (to be agreed)

✧ **Contact.** Prof. Silvia Ortega Gutiérrez (E-mail: siortega@ucm.es)
Dpto. Química Orgánica, Facultad de Ciencias Químicas, UCM
